

CELEBRATING 200 YEARS OF THE
CONNECTICUT BUSINESS AND IN-
DUSTRY ASSOCIATION

HON. ELIZABETH H. ESTY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Monday, November 2, 2015

Ms. ESTY. Mr. Speaker, I rise today to celebrate 200 years of the Connecticut Business and Industry Association (CBIA).

Today, we recognize CBIA for serving as an advocate for businesses in Connecticut. For two hundred years, CBIA has tirelessly worked to promote policies and provide services to support businesses—both large and small—in our state. Today, CBIA continues to act as a strong advocate for local businesses in the 5th Congressional District and throughout Connecticut.

The State of Connecticut boasts a highly-skilled workforce, a strong tradition of manufacturing, and good old-fashioned Yankee ingenuity. These qualities make Connecticut an ideal place for innovation and entrepreneurship.

Joe Brennan began his tenure at CBIA in 1988 as a staff attorney. Since 2014, he has led the organization as its President and CEO. Throughout his time at CBIA, he has maintained his focus on CBIA members, and he continues to strive to promote a sound business environment and improve workforce readiness in Connecticut.

Congratulations to Mr. Brennan, the Board of Directors, staff, and members of the Connecticut Business and Industry Association on the organization's 200th anniversary. I look forward to many more years of your continued dedication to our state.

IN RECOGNITION OF THE 50TH AN-
NIVERSARY OF THE MICHIGAN
ADVOCACY PROGRAM

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Monday, November 2, 2015

Mrs. DINGELL. Mr. Speaker, I rise today to congratulate the Michigan Advocacy Program on their 50th anniversary.

Since 1965, the Michigan Advocacy Program has worked to make legal representation and aid accessible to low income individuals across Michigan. Every single day they are fighting to keep people in their homes, pushing back against unfair workforce practices, and working to ensure the safety for women and children across the state of Michigan. Each year they provide free representation for over ten thousand low income individuals that would not otherwise have been able to afford a lawyer and could have been denied access to the courts.

Through their focus and dedication, the Michigan Advocacy Program has given a voice to low income families by providing free civil legal representation. Over the past 50 years, we have had the pleasure of watching the Michigan Advocacy Program grow from the Legal Services of South Central Michigan into a flourishing organization that works to support families across the state of Michigan.

Equal access to our system of justice and the judicial system is a key tenet of our de-

mocracy. Courts and the legal system should not be reserved only for those who have the most resources. The Michigan Advocacy Program has helped promote fairness and equality in our society by increasing access to legal aid and representation to low income individuals across Michigan. They have an incredibly successful track record and years of hard work is certainly worthy of our praise.

Mr. Speaker, I ask my colleagues to join me today to honor the Michigan Advocacy Program on their 50th Anniversary and wish them many more years of success.

THE CRYSTAL GLOBE AWARDS

HON. PETER J. VISCLOSKEY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Monday, November 2, 2015

Mr. VISCLOSKEY. Mr. Speaker, it is with sincere admiration that I recognize the Asian American Medical Association, which will host its 39th Annual Gala on Saturday, November 14, 2015, at Avalon Manor in Hobart, Indiana. Each year, the Asian American Medical Association pays tribute to prominent, outstanding citizens and organizations for their contributions to the community. In recognition of their efforts, these honorees are awarded the prestigious Crystal Globe Award.

The Asian American Medical Association has been a tremendous asset to Northwest Indiana. Its members have selflessly dedicated themselves to providing quality medical services to the residents of Northwest Indiana and have served their communities through many cultural, scholastic, and charitable endeavors.

At this year's Annual Gala, the Asian American Medical Association will present the Crystal Globe Award to one of Northwest Indiana's finest citizens and my dear friend, David Bochnowski. Dave serves as Chairman and Chief Executive Officer of the Northwest Indiana Bancorp, and its operating subsidiary, Peoples Bank. For his exceptional leadership and his outstanding contributions to his country, state, and community, he is worthy of the highest praise.

Dave received his undergraduate and law degrees from Georgetown University and earned a master's degree from Howard University. Additionally, he is a Vietnam veteran and earned the Bronze Star during his time of service to our country. Prior to his banking career, Dave served as a Special Assistant to Senator Birch Bayh and was a law clerk for United States District Court Judge James Noland.

Throughout his illustrious career, Mr. Bochnowski has been a leader in state and national banking associations, testifying before Congress, the Federal Reserve, and the Securities Exchange Commission (SEC) on issues related to banking and small business. Since 1981, Dave has been the Chairman and Chief Executive Officer of the Northwest Indiana Bancorp and Peoples Bank, which is headquartered in Munster, Indiana, and operates sixteen locations throughout Lake and Porter counties. Under Dave's leadership, Peoples Bank continues to provide exceptional customer service, following the same principles his grandfather implemented when he founded the bank in 1910. Peoples Bank has consistently thrived and has been listed

among the top 200 community banks in America by US Banker magazine, from 2007 through 2015, based on a key banking industry performance indicator.

Additionally, Mr. Bochnowski has selflessly served his community through his involvement in various organizations and civic activities, including the Legacy Foundation, Quality of Life Council, Purdue University Technology Center, Gary YWCA, and the Community Hospital System. He also serves as a member of One Region and the SEC Advisory Committee for Small and Emerging Companies and is a past board member of the Gary/Chicago International Airport Authority. Due to his outstanding leadership and dedication to his community, in 2001, Dave was appointed Chairman of the Indiana Department of Financial Institutions by Governor Frank O'Bannon. In addition, he has been inducted into the Northwest Indiana Business and Industry Hall of Fame and is a recipient of the Sagamore of the Wabash, Indiana's highest citizen award.

Dave's excellence in his field and commitment to charitable endeavors throughout the community is exceeded only by his devotion to his amazing family. Dave and his wife, Ann, have four beloved children: Benjamin, Julia, James, and John.

My father has always stressed that it takes a strong man to be a gentleman. David Bochnowski is that gentleman. A gentleman whose strength of character, wish to leave the world improved, and sense of service, are traits we should all attempt to emulate. I've been blessed to have Dave as a friend, but we have all been blessed to know him. To quote Homer: "He [is] a friend to man."

Mr. Speaker, I ask that you and my other distinguished colleagues join me in commending the members of the Asian American Medical Association, as well as this year's Crystal Globe Award recipient, David Bochnowski, for their outstanding contributions to their community and beyond. Their unwavering commitment to improving the quality of life for the people of Northwest Indiana is truly inspirational, and I am proud to serve as their representative in Washington, D.C.
